

DECLINATION OF COVERAGE

I have been offered group health coverage through Kaiser Foundation Health Plan, Inc. (Health Plan), by my employer, _____ . Group number _____ .
(Company name)

I voluntarily choose not to enroll in the Health Plan through my employer at this time. I understand my next opportunity to enroll myself or my eligible dependents will be during the open enrollment period. The Health Plan's *Evidence of Coverage* also informs the group of my enrollment rights due to: (1) special enrollment due to new dependents, and (2) special enrollment due to loss of other coverage.
